

# WHY YOU NEED AN ATTORNEY FOR A REAL ESTATE MATTER

---

---

## WHY HIRE AN ATTORNEY?

The attorney you hire will always advocate with your best interest at heart. The majority of the real estate agents are hired to solely represent the best interests of one party – the seller, unless they are hired specifically as a buyer agent. The attorney can effectively educate you on the real estate process.

The attorney can provide expert advice from years of experience in the real estate field. Attorneys often have a keen awareness of prior problems that have arisen in prior deals. With this awareness comes the ability to avoid problems that sometimes occur in real estate.

The attorney has negotiating expertise in the real estate area to handle problems that arise after the offer is accepted.

## SERVICES OFFERED BY AN ATTORNEY FOR REAL ESTATE

- Ongoing communication and advice related to the transaction.
- Write Offer to Purchase or review Offer to Purchase.
- Write all necessary Counter-Offer and amendments.
- Ongoing communication with realtors, lenders, title companies, and attorneys pertinent to the transaction.
- Attendance if possible by the attorney at closing.

If a FOR SALE BY OWNER situation occurs an attorney helps to make the transaction run smoothly in that the attorney can draft the Offer to Purchase, help to coordinate inspections, communicate with lenders, and see the transaction through to completion.

### **ATTORNEY FEES**

Attorney's fees are usually a reasonable flat fee amount, due at the time of drafting or reviewing the offer to purchase. Flat fee amount due may increase if attorney required to attend closing.

### **WOULD YOU BLINDLY SIGN LEGAL DOCUMENTS WITHOUT KNOWING EXACTLY WHAT THEY SAY?**

That is exactly what you do if you go to a real estate closing without an attorney.

There are more legal contracts and legal documents exchanged in any one real estate deal than in any other area of law. Lawyers can often be hired for reasonable flat fees to review contracts related to your real estate deal and represent you at closing.
